RESTROOM TRAILERS

Long Island's #1 Luxury Portable Restroom Service!

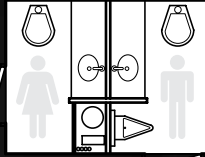

Outback Portable Restrooms provide spectacular, upscale units designed to impress even the toughest critics. The Fantastic Series surpasses all others at weddings, corporate events and distinguished fundraisers.

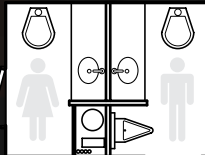

The Fantastic Series of mobile restrooms set the standard for exquisite features including custom wood cabinetry, wainscoting, crown and chair molding, wood grain floors, marbled walls, six panel doors with levered handles, recessed lighting, and black fixtures. They are the standard by which other facilities are judged.

Outback has your perfect fit. From intimate backyard weddings or parties using one of our compact yet opulent 8' Porta-Lisa units to spectacular several hundred guest larger events using the 24' version, we help to make your once in a lifetime event truly *Fantastic*.
